

Vasectomy Checklist.

Safe and Effective Non-Scalpel Vasectomy

Call our office at 423-472-3201 to schedule your consult today!

Vasectomy Consult

Make an appointment with one of our doctors to discuss the procedure.

Schedule your Vasectomy

Schedule your procedure on a date and time that is good for you! Typically the procedure takes 20 to 30 minutes in office.

Insurance or Self pay

If you have insurance-our team will check your benefits and let you know how much you owe before your procedure! No insurance? No problem! Ask about our self-pay pricing.

Fellow Post Vas Kit

Fellows is a mail-in semen analysis kits that allow you to assess your sperm health and fertility, preserve your sperm for the future, or check to see that your vasectomy worked. You will receive this kit after your vasectomy. Your quote given prior to your procedure INCLUDES this service.

Add on Options:

Pronox

Nervous before your procedure? We are happy to offer a solution! Pro-Nox is a pneumatically driven gas system designed to deliver a 50% oxygen and 50% nitrous oxide mixture to patients for the relief of pain and anxiety in a medical setting. Not billable to insurance, ask us about adding it to your procedure today!
